OPEN COMMENT PERIOD

Konstantin Grinev, student, Associated Student Government (ASG) officer and Chair of the 2015 – 2016 Student Services and Activities (SS&A) Committee, stated that each SS&A budget was reviewed, meetings with the SS&A budget managers occurred and he believed that the increase in the SS&A fee would benefit the entire student body.

While noting that it is undeniable that the SS&A fee needs to be raised, Aaron Berry, student and Political Reporter for *The Ebbtide*, spoke of the late convening of the SS&A Committee, that there was no surveying of the broad student body related to the SS&A budget and that the forums related to the SS&A budget, were not announced in a timely manner—lessening the opportunity to secure a wider range of student input on the SS&A budget.

Stephanie Olsen, student, former Student Government officer and Editor in Chief of *The Ebbtide*, expressed her disapproval of the SS&A budget allocations, the lack of transparency by the SS&A Committee and the short notice related to the forums on the SS&A budget. "Students will notice a twenty-dollar increase."

Acting Dean Terry Taylor shared that Dung Cao, an Honors and International Studies student, has been accepted into the highly selective International Relations Program at the University of British Columbia.

Danila DellaGuardia, student and ASG Arts and Entertainment (A&E) Board Events Coordinator, spoke of the many changes in the Student Leadership Center (SLC) and that despite the changes, positive work has transpired. She added how SS&A funded programs and organizations have enhanced her strengths as a student and expressed her support of the proposed increase to the SS&A fee.

SHORELINE COMMUNITY COLLEGE DISTRICT NUMBER SEVEN BOARD OF TRUSTEES REGULAR MEETING OF JUNE 24, 2015

Justin Collins, recent graduate, 2014 – 2015 ASG Student Representative and SS&A Committee member, noted that in order for SS&A funded programs and organizations to flourish, investments must be made. He acknowledged the timing and leadership issues impacting the SS&A budget process and stated that the SS&A Committee continues to assess what is best for the student body.
